Vintage aircraft and a Model A car show are two of the old things visitors will see. The new Sheriff Department's emergency base and helicopter operation center will be open for tours. And the fun things include a realistic flight simulator, water drops from a firefighting helicopter, a U.S. Air Force flyover, an emergency medical display by Mercy Air and model aircraft air shows by the Palomar RC flyers. The Federal Aviation Administration will also be on hand to answer questions.

Hamburgers, hot dogs and soft drinks will be served by the Friends of Fallbrook Airpark,

The Airpark is located at 2155 South Mission Road in Fallbrook. Free shuttle bus service will be available between the facility and downtown Fallbrook and its annual Avocado Festival.
